

2025 MCIA Annual Meeting Sponsors and Exhibitors

MCIA thanks the following sponsors and exhibitors, who helped make this year's Annual Meeting possible!

PREMIER SPONSOR

Minnesota Soybean Research & Promotion Council

Mankato, Minnesota • 507-388-1635 • www.mnsoybean.org

Brought to you by the **Minnesota Soybean Research and Promotion Council** and the soybean checkoff.

The Minnesota Soybean Research & Promotion Council is made up of an elected board of soybean producers from across the state. The mission of the Council is to invest soybean checkoff dollars in well-defined research, marketing, education, and commercialization programs and projects designed to increase demand and thereby improve the profitability of Minnesota's soybean farmers.

FOUNDATION SPONSORS

Minnesota Corn

Burnsville, Minnesota

952-233-0333 • www.mncorn.org

Minnesota Corn is made up of the Minnesota Corn Growers Association and Minnesota Corn Research & Promotion Council. The shared mission of MCGA and MCR&PC is to identify and promote opportunities for corn farmers, while enhancing quality of life. Although these two organizations are separate and distinct entities, they share the common goal of expanding the use, marketing, and efficient, environmentally sound production of corn while helping others understand the value and importance of corn production to our nation's economy. Learn more at mncorn.org.

Strategic Wealth Group and Strategic Tax Group

Eden Prairie, Minnesota • 952-843-4944 • www.strategicwg.net

Strategic Wealth Group is a team of dedicated financial and tax professionals who have our clients' goals in mind every step of the way. We use the latest financial, tax and estate planning strategies that our clients can feel confident about. We know that financial plans are ever evolving, so our plans are built to change as your financial journey changes. Professionals associated with Strategic Wealth Group may be either registered representatives with, and securities (1) offered through LPL Financial, Member FINRA/SIPC, and offer investment advice through Strategic Wealth Group RIA, LLC, a registered investment advisor; or (2) solely tax professionals of Strategic Tax Group, and not affiliated with LPL Financial. Tax/accounting/CPA related services offered through Strategic Tax Group DBA Strategic Wealth Group. Strategic Wealth Group and Strategic Tax Group are separate entities and not affiliated with LPL Financial. LPL Financial does not offer tax advice or tax/accounting/CPA related services. Contact Nathan Running CFP® at nathan.r@strategicwg.net or Tyler Hirth CFP® at tyler.h@strategicwg.net. **EXHIBITOR**

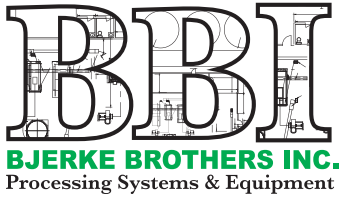

CERTIFIED SPONSORS

Albert Lea Seed

Albert Lea, Minnesota • 800-352-5247 • www.alseed.com

We're committed to providing strong organic and conventional, non-GMO seed to make it a little easier for you to reach your goals. Independent-minded growers from coast-to-coast look to us, along with our network of dealers, as a friendly source for practical information and farm-proven products that drive results. Our product lines include Blue River organic corn, soybean, and alfalfa seed and Viking non-GMO corn, soybean, and alfalfa seed. **Albert Lea Seed** also offers a quality lineup of forages, cover crops, and small grains.

EXHIBITORS

Bratney

Des Moines, Iowa

844-272-8639 • www.bratney.com

Bratney has been known for more than 50 years for providing state-of-the-art equipment, processes and solutions for our valued customers. We have partnered with some of the world's foremost manufacturers like Cimbria, Concetti and others to continually bring innovation, technology and creative solutions to the industries we serve. Combining our depth and knowledge of construction services and our in-house expertise of high-quality engineering, design and process knowledge, allow us to provide you with the greatest assurance and value. We take great measures and pride to care and install each piece of equipment properly and we carry that commitment through every phase of building a complete facility and offering our experts to service your equipment properly. We are driven to deliver the very best in all that we offer. We are proud to serve the agricultural industry and to support the rich traditions, history and the value that the seed industry provides to the world.

GRAIN MILLERS

Grain Millers, Inc

Eden Prairie, Minnesota

800-232-6287 • www.grainmillers.com

For more than 37 years, **Grain Millers** has tested every decision against one thing: IS IT GOOD? For our farmers, our employees, our customers, and our consumers?

As one of the world's largest millers and suppliers of non-GMO and Certified Organic oats and many small grains, soybeans, corn, flax as well as other food ingredients, our legacy is built on being more than just a food ingredient supplier, we are a proactive partner. We work with enthusiasm and energy every day, and we take great care in everything we do. We make decisions based on shared values and investments in what is GOOD – not just for us, but for the farmers we depend on, the customers we serve and the world we all live in! It's our Promise!

Profile Industries

Rogers, Minnesota

743-428-5858 • www.profile-ind.com

Serving the seed industry for over 30 years, **Profile Industries** has remained focused on making seed sorting simple and effective. As the global design and manufacturing experts in rotary sorter and spiral separator solutions, we help you maximize the quality of seed and the efficiency of your seed processors making you more profitable while reducing seed loss. Manufactured in the U.S., we stock and custom build a full line of sorting solutions to guarantee some of the fastest turnaround times and highest product quality. Our solution engineers take pride in working with seed customers across the United States, Brazil, Chile, Argentina, Canada, Europe, and Asia to determine the most efficient and cost-effective way to get you the largest return, in product and profit, for your project.

**SOUTH DAKOTA
STATE UNIVERSITY**

South Dakota State University Seed Testing Laboratory

Brookings, South Dakota

605-688-4589

www.sdstate.edu/agronomy-horticulture-and-plant-science/sdsu-seed-testing-lab

A public seed testing laboratory is maintained by SDSU to test seed samples for farmers, seedsmen, Crop Improvement Associations, and South Dakota's Department of Agriculture. The lab is equipped with modern testing equipment necessary to perform tests on all kinds of agricultural crops, vegetables, trees, grass, and flower seed. It is staffed with experienced, technically trained, and accredited analysts (RST and CSA-G) and part-time assistants who work under constant supervision. All analyses performed by the lab are made according to the Rules for Testing Seeds published by the Association of Official Seed Analysts (AOSA).
