

**EFFECTIVE APRIL 6, 2018**

**Quality Assured (QA) Sod Program:** provides documented proof of conformance to Minnesota Department of Transportation (MnDOT) specifications for specified sod types.

- ✓ Seed must be obtained from an approved QA Sod Seed Vendor (for a current list go to [www.mncia.org](http://www.mncia.org) or contact the MCIA office).
- ✓ QA Sod Seed Vendors warrant that seed mixes with QA Sod Seed Mixture labels meet current requirements of the QA Sod Program and MnDOT specifications for salt tolerant sod.
