Best of the Best in Wheat and Soybean Research Meetings

The North Dakota State University and the University of Minnesota Extension Services, along with MAWG, MWR&PC, MSR&PC, NDSC, NDGGA and NDWC have joined together to present producers with current research information.

In this day-long workshop, growers will have the opportunity to learn from researchers and extension specialists. These sessions are free. Pre-registration is encouraged. To register call, 1-800-242-6118 ext. 3 or visit www.smallgrains.org and click on the Best of the Best link.

Foundation Seed Orders

We are currently accepting orders for Foundation seed on a first-come, first-serve basis. The following varieties were released in 2012: Norden spring wheat and Horsepower oats. If you have not already placed a seed order, please do so as soon as possible for best availability. A confirmation order form will be mailed to members later this month.
