Soybean and Small Grain Seed.....	July 21-24
Gravity Separation	July 29
Gravity Separation	July 31
Seed Corn Conditioning.....	August 4-7

For more information contact the Seed Science Center at Iowa State University, call 515-294-4011 or visit www.seeds.iastate.edu.

MCIA Directory Advertising

Are you interested in advertising in the 2015 MCIA Directory? You can reach seed buyers, producers, conditioners, wholesalers, retailers and a variety of ag-related businesses.

For more information, or to reserve your ad space, contact the office. An informational mailing will be going out to members this month.

Small Grain Field Inspections

Please be sure your small grain seed field is inspected before you harvest. If you do not have a field inspection report, contact your field supervisor. Do not harvest unless you are sure it has been inspected.

We can still accept applications for small grain field inspections. If you need to add a field, contact the office or your field supervisor. A late fee may apply.

Field Inspection Application Deadlines

Please note the following due dates:

- Noxious weed seed free forage & mulch - 4 weeks prior to each cutting
- July 15 - Soybeans (pre-harvest inspection only)
- Year of Seeding - Perennials and Native seed

Field Signs

Clay County Crop Improvement has field signs available to promote your public variety. Why not put up a sign to promote Linkert, Elgin-ND or Forefront wheat or maybe your Deon or Horsepower oats? For more information contact Tom Livdahl at 218-585-4621.

Minnesota State Fair Certified Seed Show

Save your certified seed samples for the State Fair. **Entry closing dates for Farm Crops will be Friday, Aug. 8** (New corn closing date is Thursday, Aug. 28). The Ag-Hort-Bee Rule and Premium book can be found online at www.mnstatefair.org, by looking under the competition banner or call the State Fair Office at 651-288-4417. Prepare your samples now for entry to the fair.

Field School for Ag Professionals

Conducted by the University of Minnesota Extension, this is a hands-on learning experience about pest and production management for Minnesota's major crops. This program is for agronomists, crop production retailers, seed dealers, consultants, Extension Educators and government agency personnel. Participants may choose to attend either July 30, July 31 or both. To register or for detailed information and agenda outline go to extension.umn.edu/AgProfessionals or call 651-480-7732.
